

Asking a Question in Class

ask a question

Sometimes in class I have a question.

When I want to ask a question, I raise my hand and wait until the teacher calls my name.

When the teacher calls my name that means it is my turn to ask my question.

raise my hand

wait a minute

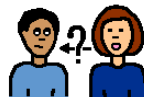

I will put my hand down and ask the teacher my question.

put my hand down

ask my question

The teacher will do her best to answer my question.

listen

I will try to listen carefully to her answer.

I don't know

Sometimes the teacher will not have an answer.

That is OK too.

I will try to wait patiently and quietly until my teacher calls on me to ask my question.

wait a minute

quiet

my turn

ask my question
