

## What Parents have said

1. Their love is unconditional.
2. When they show affection, it's the biggest deal.
3. They don't judge anyone.
4. Any progression is a huge feat.
5. They take nothing in life for granted.
6. Being unique makes them interesting and adorable.
7. They see beauty in things that our hearts and mind have come to dismiss.
8. There aren't greedy or hurtful intentions within them.
9. Hate does not exist in them and love flourishes within their souls.
10. We are blessed just to have them and that should never be considered a bad thing because they were given to us to teach us the value of love and life.
